ERRATUM

Released: July 1, 2009

By the Acting Chief, Media Bureau:

On June 29, 2009, the Media Bureau released a Notice of Apparent Liability for Forfeiture (NALF), DA 09-1482, in the above-captioned proceeding. This Erratum amends the NALF as indicated below:

1. Paragraph 8 is corrected to read as follows:

The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules do not establish base forfeiture amounts for specific EEO rule violations, such as a failure to recruit widely for vacancies or to self-assess EEO performance. However, they do establish a base forfeiture amount of \$10,000 for violation of the Commission's public file rules and of \$3,000 for failure to file required information. In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."

2. Paragraph 9 is corrected to read as follows:

As discussed *supra*, the Licensee failed to properly recruit for two of its 12 full-time vacancies because it relied solely on an employee referral for one vacancy and a rehire, absent sufficient recruitment, of a former employee for another vacancy, in violation of Section 73.2080(c)(1). The Licensee also failed to properly recruit widely for two other full-time vacancies because it relied solely on two referrals and its website to fill those vacancies, in violation of Section 73.2080(c)(1)(i). Finally, the Licensee failed to place its EEO public file report on the Stations' websites for 2008, as required by Section 73.2080(c)(6). These failures reveal a continuing lack of self-assessment, in violation of Section 73.2080(c)(3). Accordingly, based upon the facts before us, the factors noted above, and pertinent precedent, we find that the Licensee is apparently liable for the following forfeiture amounts for its willful and repeated violations of these Rules: \$3,000 for its violation of Section 73.2080(c)(1); \$5,000 for its violation of Section 73.2080(c)(1)(i); \$1,000 for its violation of Section 73.2080(c)(3); \$3,000 for

its violation of Section 73.2080(c)(6), for a total proposed forfeiture in the amount of \$12,000. We will also impose reporting conditions as set forth below, to ensure that the Licensee and any successor licensee of any of the Stations maintains an adequate EEO program in compliance with the Rules. The reporting conditions will apply to the Stations, and to all other stations that are part of their employment unit.

3. Footnote 20 is deleted and the remaining footnotes are renumbered accordingly.
